GOLD EVOLUTION · AGENTS

FOR AGENTS ONLY

Quarter Streak

Q4 2026 · October – December

How it works

1

Reach a level

Each month you get a level: Active, Silver, Gold or Platinum, from the customers you introduced who bought.

2

Hold it all 3 months

Hold your level, or a higher one, in **every month** of the quarter. Your lowest month sets your streak.

3

Our thank-you

One thank-you per agent for your highest streak. Planned for **January 2027**.

Your thank-you

SILVER STREAK

S$25

Silver level or higher
in all 3 months
3+ customers · S$500 counted

GOLD STREAK

S$50

Gold level or higher
in all 3 months
10+ customers · S$2,000 counted

PLATINUM STREAK

S$100

Platinum level
in all 3 months
20+ customers · S$6,000 counted

The customer and sales counts are for each month. An Active-level streak (1+ customer) is not part of the thank-you.

EXAMPLE

OCT	NOV	DEC
Platinum	Gold	Silver

Lowest month is Silver: Silver streak, S$25

- ✓ **October already counts.** Certificates are issued after each month ends.
- ✓ Only customers you introduced who are **not agents** count, up to S$1,000 each per month.
- ✓ For agents in **good standing**: Agent Agreement up to date and both training modules done.
- ✓ See your progress: **Agent dashboard → Recognition → Quarter streak**.

A thank-you from Gold Evolution, given at our discretion. It is not a promise of earnings, it is separate from your referral bonus and does not change it, and the rules may change with notice. For agents only: please do not share this with customers or prospects.
